

**LB  
ALUMINIUM  
BERHAD**

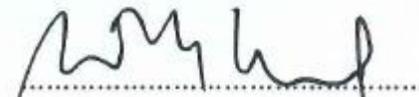

198501006093 (138535-V)

## **COMPANY'S ENVIRONMENTAL POLICY STATEMENT**

LB Aluminium Berhad is one of the largest aluminium extrusion manufacturers in Southeast Asia. We are concern about global environmental issues. It is the policy of LB Aluminium Berhad to manage our activities in a manner that is compatible with the balanced environmental and economic needs for ensuring that they are acceptable to the community and that any adverse effects on environmental are reduced to a practicable minimum.

It is our commitments to :-

- ↳ Promote the **interchange** of environmental **information** and **technology** among our company;
- ↳ **Be aware** of environmental aspects of our **activities, products** and promote **protection and prevention of environmental pollution**;
- ↳ **Comply** with relevant environmental **legislations, regulations** and **other requirement** for environmental aspects of our **activities, products and services**;
- ↳ Continuously make the **effort to minimise impact** on the environment through **effective management of resources and waste** wherever possible;
- ↳ **Communicate this policy** to our staff, visitors, customers and all relevant parties;
- ↳ **To review and revise this policy** as necessary at regular intervals.
- ↳ To achieve **continual improvement** of environmental **management system** in order to enhance environmental **performance**.
